(vi) Institutional set-up for liquidity risk management

Altum Credo Home Finance Limited has a Board approved Risk Management Committee to oversee liquidity risk management. The ALCO meetings are held on a monthly basis. The ALCO inter alia, reviews the asset liability profile, risk monitoring system, liquidity risk management, funding and capital planning, forecasting and analyzing different scenarios and preparation of contingency plans. The Company has a Board approved Risk Management Committee, which oversees overall risks to which the Company is exposed including liquidity risk management. The updates on the meeting of ALCO and Risk Management Committee also presented to the Board at regular intervals in the Board Meeting for their review.

Further, the management regularly monitors the position of cash and cash equivalents. Assessment of maturity profiles of financial assets and financial liabilities including debt financing plans and maintenance of balance sheet liquidity is considered while reviewing the liquidity position.

Note:

- (1) The above calculation of total liabilities excludes networth i.e Equity and Reserves & surplus.
- (2) The above calculation of borrowing is based on total principal outstanding as on Jun 30, 2024.
